Dearest mother & Daddy:

Just a word to let you know I'm fine; and got plenty of sleep this weekend. It turned cold yesterday, and has been freezing ever since.

Got a letter from Lottie today, and also "Buddy" Block. He said Nelson was in California now. I didn't know he was out there.

Mother, I left 3 khaki ties at home and I need them now.

I either left them in my dresser drawer, on the tie rack in my room, or might in Bert's room in his dresser. If you can't find them, they may be locked in my dresser drawer.

The key is either in your China closet in the dining room or in my table drawer. Please try to find them, and send them to me right away.

Let me know how you are feeling, mother. Be good & write soon!

Love,

Harold
